

ENJOY THE BENEFITS OF GOLDENTIME

Goldens rescued by RAGofAZ are looking to you...

TO HELP THEM FIND A FOREVER HOME

Matching Goldens to their “forever” families is what RAGofAZ has been doing passionately since 1998. Since that time, thousands of dogs have come through our rescue, and each has received our “Gold Standard” of care. This includes screenings, vaccinations, and medically necessary treatment. The dog is then matched and placed with a pre-screened family ... and our success rate is second to none!

TO JOIN A RESCUE TEAM

Our teams are the heart and soul of the rescue process. Whether you can volunteer one hour a week, a few days a year, or need to accommodate a sporadic schedule, we can match you with a position that will help save a Golden waiting at this moment for rescue and relieve.
