

APPLICATION TO FOSTER/ADOPT

Rescue A Golden of AZ (RAGofAZ) serves the state of Arizona. We will adopt to any area within the state where we can do a home visit by a trusted volunteer.

A nonrefundable, tax-deductible \$25.00 processing fee is required to submit a Foster/Adopt Application Form. An adoption application is not for any particular dog; we match them after reviewing all applications and home evaluations to ensure that the dog's best-suited home is selected.

The Foster/Adopt Application Processing fee is in addition to the Adoption Fee.

RAGofAZ cannot predict the length of time it will take to place a dog in your home, nor does it guarantee that a dog that matches your request will become available.

Thank you for taking the time to fill out this application. We realize it is lengthy, but please fill out this form completely to speed up the process. Please print clearly and legibly. Include area codes with all phone numbers, and please include your email address. Our Golden Evaluation Team representative will contact you as soon as possible after we receive your application.

This application is a combined Foster Home and Adoption Application. Please answer the questions in this application with your ultimate goal in mind, whether fostering or adopting a rescued Golden. If a question does not apply to you, please write N/A in the response area.

Emailing your application is the preferred and quickest way to submit your application. After completion, email to golden-adoptions@list.golden-retriever.org

Faxing is another way to send your application. You may fax to: **815.301.8200**

You can submit your application fee either by credit or debit card using the form near this application's bottom.

Or, you may **mail** your completed application along with the application processing fee to:

Furthermore, if for any reason the adopter can no longer care for the dog, it must by law be returned to Rescue A Golden of Arizona. RAGofAZ retains the right to reclaim any foster or adopted Golden if the Board of Directors feels that doing so is in the dog's best interest.

I/we understand that I/we must pay the adoption fee by check or credit card when we deliver the rescued dog to my/our home. For people interested in FOSTERING: Our foster homes are a crucial link in the rescue chain. If your application is approved, we will enter you into our database for families interested in fostering rescued Golden Retrievers. The Foster Coordinator will use the information you provide to help us place a dog in your home. The Foster Coordinator, or designee, will contact you when a dog needs a foster home. Foster families may indeed adopt their foster Golden and have the right of first refusal before another family being identified and notified. Foster families must fill out the appropriate paperwork, including contracts, and pay the adoption fee. Thank you so much for offering to open your home to give a Golden a second chance.

Once you are selected and called to foster a dog, you are required at that time to become a RAGofAZ member.

For people interested in ADOPTING: Thank you for your interest in RAGofAZ. Once your application is approved, somebody will notify you either Email or a phone call, and then you will be placed on our waiting list.

The Placement Team will carefully match your lifestyle and needs with a Golden as they become available. If you get a Golden from another source or change your mind about adopting from us for any reason, please notify us so we can remove you from our waiting list.

Once you are called and accept a dog, you are required at that time to become a RAGofAZ member.
