

ENJOY THE BENEFITS OF GOLDENTIME

Goldens rescued by RAGofAZ are looking to you...

TO HELP THEM FIND A FOREVER HOME

Matching goldens to their “forever” families is what RAGofAZ has been doing passionately since 1998. Over 3,000 dogs have come through our rescue, and each one received the “gold standard” of veterinary care, was carefully evaluated, and then placed with a pre-screened family. Our placement success rate is second to none.

TO JOIN A RESCUE TEAM

The teams are the heart and soul of the rescue process. Whether you can volunteer one hour a week, a few days a year, or need to accommodate a sporadic schedule, we can match you with a position that will help a rescued golden. Training is provided.
