

GOLDEN *Oldies*

TANNER OLDEST GOLDEN 16 YEARS

A puppy full of energy, Tanner was rescued in August 2001. Since that day, having enjoyed so many dog years, his life has given his human friend a lifetime of wonderful memories. He can still run and play, smile with a tail-wag, and enjoy the time with his wonderful friend. Age is after all, just a state of mind. If you don't mind... throw me a bone.
